Dear Parent/Carer

Parent Forum - Transition Process from Year 6-7

Date: Thursday 1st February 2024, 1530-1630 in the Main Building

Having now settled our new Year 7 cohort into secondary school, we like to review year-on-year what went well and what we could be even better with next year.

If you feel you would like to take part in this review process, we would welcome your attendance at a Transition Forum taking place as detailed above. During this short meeting we will review:

1. Communications and Welcome Pack from the Summer Term of Year 6 into the Autumn Term
2. Induction Day
3. How we could support you further with our School Systems e.g. Arbor and Google Classroom
4. The Chromebook for Learning Scheme

We will also make time to take any further comments specifically on the transition process last year.

Please could you complete the following google form, should you be interested in taking part:

<https://forms.gle/XEFRC8F6Jo9TwPgg9>

Best wishes

Transition Team
