**Description:** The Geography department has planned a visit to PGL Osmington Bay Dorset for Geography fieldwork and team building for those students in Y9 who are planning to choose Geography GCSE as an option subject.

Final decision regarding the students travelling will be made by the Senior Leadership Team and Head of Achievement. They will continue to monitor behaviour records, punctuality and effort, in order to ensure that our offer is fair for all students. Students selected will be expected to maintain a high standard of behaviour; failure to do so may put their place in jeopardy.

Kind regards,

E Hughes

Head of Geography
