

11th November 2024

Dear Parent/Carer,

As I'm sure you are aware, the current Year 11 are almost ready to sit their GCSE English Exams. All students will be assessed through examination alone and these exams will take place at the end of Year 11.

Students will be examined on texts and skills that they have been taught in Year 10 and 11, it is important that they independently revise topics throughout the course, for both English Literature and English Language.

With this in mind we would like to offer students the opportunity to purchase the new specification CGP and York Notes revision guides. The retail price for the revision guides range from £5.99-£9.99 however, they can be purchased through the school at a discounted rate. **Prior to ordering, can you please check with your child which texts they have studied**, as not all guides listed below are relevant to all students.

Additionally, one of the best ways to revise and prepare for the English Language exams is to complete practice papers and practice spelling, punctuation and grammar techniques, we therefore recommend that all students also purchase practice papers complete with mark schemes.

If you would like to purchase any of the revision guides or the practice papers for your child, then please order on SCOPAY **by Friday 29th November 2024**.

Yours sincerely,

Ms M de Salas
